MR. ROBERT SLOAN

E pluribus unum--"one out of many"--this, our national motto tells a story, a story of the success of a whole nation through the fundamental belief in the individual. If the individual in our society is to hold a position of supreme importance, it is necessary that each person accept the full responsibility with which he is charged. A strong democratic country must be composed of strong individuals.

In our society the strength of the individual is nurtured and developed by our educational processes. The educational opportunities which are yours at Capac High School are designed to give each individual the strong foundation which is necessary to help build our republic to even greater heights. Yes, you are truly--E pluribus unum--"one out of many."

Edwin Markham, the poet, said it this way:

"Why build these cities glorious

If man unbuilt goes?

In vain we build the world, unless

The builder also grows."

This is your Student Council. It is not just another club, but in effect the "congress" of our high school. There are "senators" from each class and "representatives" from each club or organization. To them is entrusted the "life, liberty, and the pursuit of happiness" of the students at Capac High.

The Student Council tries to promote citizenship training through the development of student responsibility, initiative, leadership, and school pride. It also attempts to aid in the internal administration of the school.

This year the Student Council sponsored a magazine sale and raised money for two scholarships to provide for further education of two seniors. Two scholarships for Capac students going overseas and a section of new bleachers for the football field were also provided for from this money. A Polaroid camera and eight pennants for the gym were purchased from other Student Council funds.

A spring carnival is planned so as to provide funds for the support of two Foreign Exchange Students in Capac next year.

The club, this year, is not only sending two delegates to the State Future Teachers conference, but also a member as a nominee for the state office of secretary-treasurer.

Since the beginning of the 1961-62 school year, the Capac Chapter of the F.H.A. has been engaged in many enjoyable and rewarding group activities. In October we were able to see the Michigan State Spartans romp to a victory over the Stanford team. December saw the F.H.A. and F.F.A. engage in a Christmas Carol sing. For our first meeting of the new year, we were the guests of Carol Criss for an ice skating party. March brought about an invitation from the F.F.A. to go roller skating with them. We gladly accepted!

Our April meeting was spent making Easter favors for the children of the Lepeer Home and our last meeting of the year held in May, was a banquet for our mothers and senior members.
